Just a line to our customers -

We wish to thank you for your patronage in the past, and welcome you and your friends in the coming year.

The following is the list for 1932, and we are confident that we are placing before you a list of plants, shrubs and bulbs that have proven their worth, and we can recommend any of them. In getting out the following list instead of a catalog, it has saved us many dollars, which we will pass on to you in lower prices.

If there are any items of which you wish a fuller description, do not fail to write us. We will be glad to help you with any of your garden problems.

You will be pleased with our plants, bulbs, etc., and with our service. Let us hear from you whether your order is small or large, it will receive our most careful and prompt attention. All postage paid on orders over \$1.00.

Mrs. R. F. Gais, Mgr.
